Johnny,

Attached hereto are two bills.

One for \$34.22 is reimbursement to Gen Haidie Aderholt's Import Company for some telephonscalls they made on behalf of USCWF to locate the helicopter. This should be charged to the Niernguyen Freedom Fighter Fund.

The other is for work performed in our behalf by Bill Kenney. He is working on the boat project. He will be submitting other expense bills through Marshie who will clear them with me before you are asked to pay them. This bill is for \$250. It also comes out of the NFF. In fact, all of his future bill will too.
